Bring your bathing suit because we're going to get wet! Enjoy a variety of water activities throughout the day that help bring the ocean theme to life.

## Session 2                      *Summer with Suess!*

Come join Stephanie and be silly with Dr. Suess. With crafts, activities and games galore, this camp is sure to be a week that your child will remember. We will be reading some great classics and creating many fun crafts to go along with the books. Spend a week and see why this beloved children's author is a classic as we learn all about the wonderful world of Dr. Seuss!

## Session 3                      *Let's Be Artsy!*

Join Stephanie to create masterpieces inspired by European artists like Michelangelo, Van Gogh, Monet and many more! Activities include creating unique artwork using various traditional and non-traditional art mediums. Children are encouraged to set their imaginations free as they explore their creativity!

## Session 4                      *Rainforest Adventure!*

Let's travel to the Amazon rainforest together and explore the animals and cultures that live there. Stephanie will take you on an adventure using the senses to see, smell, taste and hear the rainforest. We hope you can join us!

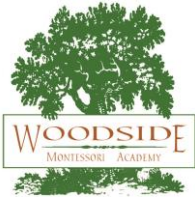

## Session 5-A                      *A. First STEM!*

Science is all around us, but the best part is getting to build and experiment! During this week, children will put on some safety goggles and try new things! Activities include: structure building challenges, experiments with buoyancy, changes in the states of matter, chemical reactions and much, much more! Be prepared to learn about how some ordinary things can become extraordinary through science!

## Session 5-B                      *B. Summer Montessori*                      *Session time 9:00-12:00*                      *Fee: \$150*

Open to students enrolled for the 2018-2019 school year at Woodside Montessori Academy. Give your child the tools he or she needs to hit the ground running when the new school year starts. This class is designed to introduce students to Montessori, to school, and to the basic concepts and expectations of their new environment. Your child will gain a higher degree of comfort and familiarity with the school, which will enable him or her to make a quick transition to the classroom once school starts.
