

Project Discover! at Woodside Academy!

Ages	2.9 through 5		
Dates	Session 1: July 8-12	Session 4: July 29 - August 2	
	Session 2: July 15-19	Session 5: August 5-9	
	Session 3: July 22-26	Session 6: August 12-16	
Program Hours	9 am – 2 pm	Cost:	\$285
Before & After Care	8:00 - 9 am & 2 - 6 pm	Cost:	\$9/hour

Session 1 *Ancient Egypt*

Let's head back 5,000 years in time and learn all about the Ancient Egyptians. During this journey, we will learn about Egypt's culture and will guide children through hands on projects. Children will create their own cartouche out of clay, study and write hieroglyphics, and much more. We will also be exploring some fun Egyptian science experiments like mummification using apples and stem challenges.

Session 2 *Down on the Farm!*

Join us for some hands-on farm activities. In this session, we will be studying a different farm animal each day and learn how it contributes to human needs. Children will also get hands-on experience with our very own Woodside chickens and learn about the role they play in our outdoor environment. Daily lessons will include a story incorporating the animal of the day, craft and a science project to explore life cycles of plants and animals. Children will also practice gardening skills and do fruit and vegetable tasting.

Session 3 *Art with Nature!*

"The richness I achieve comes from nature, the source of my inspiration"- Claude Monet. Art with Nature is a week full of fun and adventure that mixes the outdoor environment with artistic expression. In this camp, children will make nature prints with clay, creating nature journals to draw observations and much more. We will also be exploring nature through science experiments and scavenger hunts.

Session 4 *Fun with Leo Lionni!*

Come and join us while we explore the wonderful world of Leo Lionni and find a color of your own. Each day we will read a different book and create fun art projects to go with each story. We will also explore color with fun science projects.

Session 5 *Summer STEM!*

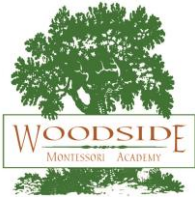

Science is all around us, but the best part is getting to build and experiment! During this week, children will put on some safety goggles and try new things! Activities include: structure building challenges, experiments with buoyancy, changes in the states of matter, chemical reactions and much, much more! Be prepared to learn about how some ordinary things can become extraordinary through science!

Session 6-A *A. Creative Arts & Spanish!*

Dreaming, imagining, creating, experimenting, and learning that is what we do at our creative art camp. Children will be exposed to different materials, textures, and media. They will be able to create their own piece of art using their imagination. Our days will be filled with fun projects that will give a unique experience to each child. Taught by our Spanish teacher Giuiana, projects include: • Slime time- We will be making slime from scratch • Coloring our drawings on canvas using water colors • Cool Sculpting using Model Magic • Cake design and decoration of course cake tasting as well! Spanish will be integrated into the week!

Session 6-B *B. Summer Montessori* **Session time 9:00-12:00** **Fee: \$150**

Open to students enrolled for the 2018-2019 school year at Woodside Montessori Academy. Give your child the tools he or she needs to hit the ground running when the new school year starts. This class is designed to introduce students to Montessori, to school, and to the basic concepts and expectations of their new environment. Your child will gain a higher degree of comfort and familiarity with the school, which will enable him or her to make a quick transition to the classroom once school starts.
