**Cost:** \$385.00

**Before & After Care:** 8:00 - 9 am and 4 - 6 pm

**Cost:** \$9/hour

**REFER A FRIEND Discount!**

### **Session 1**      *Lego Robotics 2.0*

Learn to program free roaming LEGO robots and make science come to life! Get in gear with LEGO's new updated software to build and use an iPad to program Milo the science rover and other fun untethered robots. In the morning, explore guided robotics projects to create a shake table to test house designs to withstand an earthquake or create a bot to sort and recycle items. Design your own specialized bots that use sensors to explore space or create a safe wildlife crossing.

### **Session 2**      *DramaKids*

We are bringing back an old favorite...with a new twist. We will work on developing talents to create our own game show...complete with funny judges and more! No need to have a specific talent and the sillier the talent the better!!

Our summer Drama Kids workshop will include skills instruction as well as play development through our tried and true methods of teaching. Our DK1 teachers are looking forward to some fun and engaging weeks with your Drama Kids!!

### **Session 3**      *Healthy Cooking Adventures; A Holistic Approach to What We Eat*

Cook up some FUN at an interactive and hands on HEALTH focused cooking classes. We will learn about:

- The four food groups
- Choosing healthy foods
- Label reading
- Why should we eat vegetables and fruits?
- Measurement methods
- States of matter
- Sensory analysis of foods and drinks
- Nature walks and games

All cooking supplies are: Nut-free and gluten free (if needed) All cooking materials are included.

### *Adventures in Spanish*

Nu3Kidz Adventures in Spanish is a terrific way for kids to learn Spanish while enjoying summertime fun. Nu3Kidz campers spend the week immersed in an exciting part of the Latin American world. Nu3Kidz counts with a dynamic, native-speaking and experienced teacher. Campers spend each day moving from one activity to the next, including special "No English!" times, designed to provide an immersion experience while still allowing for a ton of fun. A week of Nu3Kidz camp is guaranteed to boost your child's new language ability!

We will enjoy: Silly Spanish games, group craft activity (solo en Español), songs, story time, scavenger hunt, solo art activity, outside camp games y finalmente cool down and say adios to a fun day.

#### **Session 4**      *Minecraft Mania 2: The Sequel*

The Mania continues! Explore and build in worlds that have been customized for Wicked Cool learning activities. Construct complex Minecraft villages and map out a hands-on model community built with real world materials. Learn the secrets of Minecraft to forge unique tools, discover the awesome power of redstone, and create automated factories to supply your empire. Design light-up circuits and simple machines to take home.

#### **Session 5**      *Rocket Science 2019*

A perennial favorite returns! Build and launch our favorite solid fuel rocket, the customizable E2X: perfect for the young aerospace engineer. Keep a Commander's Log as you investigate the solar system, design a satellite, and build a space base for an astronaut. Blast off with a solid fuel highflying rocket launch at the end of the week (weather permitting). In the afternoon, we will continue with the flight plan and launch water rockets, make galactic slime, and map distant constellations as part of your out-of-this-world lunar journey.

#### **Session 6**      *Wicked Cool Med School*

Is there a doctor in the house? Follow the progress of your own "patient" all week as we journey into the inner workings of the human body. Keep medical charts and become an anatomy specialist while learning the body systems. Create a "slime" cell, big bones, moving joints, and 3-D eyeballs. Make it a full day! Learn to use a stethoscope, take vital signs, make model mucus, and investigate digestion.

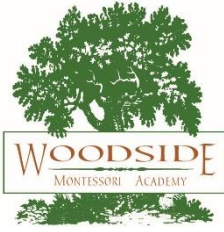

#### *Daily Schedule:*

9:00-9:30	Get in the Groove: games and crafts promoting social interaction
9:30-10:30	Lesson
10:30-11:00	Snack, outside, free play
11:00-12:00	Lesson
12:00-1:00	Lunch
1:00-2:00	Lesson
2:00-2:30	Snack, outside, free play
2:30-3:30	Lesson
3:30-4:00	Finish projects, clean up, Get in the Groove, free play

\*\* Children bring lunch, snack and water bottle

**Note:** *Each program session requires a minimum number of registered participants to be offered successfully and is limited to a maximum of 15 students.*

***If the minimum registration is not achieved by June 15<sup>th</sup>, the session will be cancelled, and you will be notified immediately.***
