Session 1

Dinosaurs

Dinosaurs come back to life in this fun prehistoric camp. Come stomp and roar your way into this fun experience with lots of fun art projects, stories, and awesome archeological digs for dino fossils. The children will love learning about these unbelievable creatures that roamed the earth millions of years ago!

Session 2

Oceans Ahoy!

Come on an Ocean Adventure as we explore the variety of sea and plant life that live in the planet's hydrosphere. We will conduct science experiments, create fun crafts, and play games.

Session 3

Around the world!

Join us on an amazing journey as we travel the world this week exploring the sights, sounds, flavors, and cultures of five different countries. We will explore a different country each day. Children will immerse themselves in the art, geography, games, and tasting of food and more. Children will develop a sense of diversity and the world around them. Pack your bags!

Session 4

Art Extravaganza!

Creativity comes alive! Art week provides children a wonderful introduction to several forms of visual art. In our art camp, each day brings a new project that will include drawing, painting, printmaking, or sculpture.

Session 5

Summer STEM!

Science is all around us, but the best part is getting to build and experiment! During this week, children will put on some safety goggles and try new things! Activities include structure building challenges, robotics, magnets, chemical reactions and much, much more! Be prepared to learn about how ordinary things can become extraordinary through science!

Session 6

Out of This World!

Explorers wanted! This summer, journey into space to study the stars, planets, moons, and constellations! During this week we will be scientists, engineers and astronauts as we play and learn about the solar system, robotics, rocket science and more. Woodside Planetarium is a space for all kinds of exploration! We will have a week full of activities, games, arts and songs. Be ready to go *Out of This World!*

Session 7-A

A. Celebrate Eric Carle!

Campers, campers, "What Do You See?" "A Very Hungry Caterpillar" or "Grouchy Ladybug?" Explore the world of Eric Carle's stories and illustrations through art projects, food preparation, and other exciting activities! Join your "Friends" while you reach for "Little Cloud" and learn "From Head to Toe."

Session 7-B

B. Summer Montessori

Session time 9:00-12:00

Fee: \$150

Open **only** to students enrolled for the 2021- 2022 school year at Woodside Montessori Academy. Give your child the tools he or she needs to hit the ground running when the new school year starts. This class is designed to introduce students to Montessori, to school, and to the basic concepts and expectations of their new environment. Your child will gain a higher degree of comfort and familiarity with the school, which will enable him or her to make a quick transition to the classroom once school starts.
