

Project Discover! at Woodside Academy!

Ages 3 through 5

Dates	Session 1: July 5-8*	Session 4: July 25-29
	Session 2: July 11-15	Session 5: August 1-5
	Session 3: July 18-22	Session 6: August 8-12
		Session 7: August 15-19

Program Hours: 9 am – 2 pm **Cost:** \$295 (*\$240 for session 1)

Before Care: 8-9:00 **Cost:** \$50/week **After Care:** 2:00-4:00 **Cost:** \$100/week

Session 1 *Shark Week*

This week is all about sharks! Students will learn about these mysterious creatures of the deep. We'll learn about fun facts about some of the 500 species of sharks, make unique crafts and participate in hands-on science experiments. Don't miss out on this sharktastic week!

Session 2 *Art Around the World*

Children will journey to various destinations around the world as students create art inspired by different cultures. If you like adventure and travel don't miss out on the trip of a lifetime exploring the different continents through the eyes of art.

Session 3 *Superhero Week*

Join us on an amazing journey as we travel the world this week exploring the sights, sounds, flavors, and cultures of five different countries. We will explore a different country each day. Children will immerse themselves in the art, geography, games, and tasting of food and more. Children will develop a sense of diversity and the world around them. Pack your bags!

Session 4 *It's a Small World*

Birds, Butterflies and Bees – Oh my! Spend five fun-filled days exploring the role of pollinators in our garden. We'll explore the flight of birds, meet our bees and taste their honey. We'll also experience the amazing world of pollination through relay races, unique art projects and interactive gardening games. We will have lots of natural art, science, songs and stories about gardening! So, grab your magnifying glass and let's get digging!

Session 5 *Wonders of our Body!*

Our little scientists will explore the wonders of our body. We will zoom into multiple body systems using interactive activities. Children will trace their body, then cut and glue the bones (skeletal system) then add the veins(our circulatory system). We will make lungs with paper bags, an activity that give kids a great idea of how our respiratory system works. We will investigate the nervous system through the five senses. The week is guaranteed to get your child interested in the human body and all the amazing things it does.

Session 6 *Discover STEM (Science, Technology, Engineering and Math)*

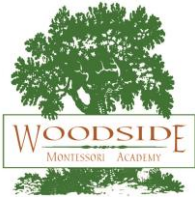

We'll Challenge, Engage & Stimulate your children for an unparalleled summer of fun. Our STEM week will give children the opportunity to become little scientists for the summer and embark on a series of science adventures like no other! We will have science experiments with amazing chemical reactions, play with robotics and coding games, engineering challenges. We will "play" with magnetism, sink and float and have small LEGO projects for each child to take home.

Session 7-A *A. Oh, the Places You'll Go!; Dr. Seuss on the Loose*

"Oh, The Places You'll Go" during this fun-filled week of Dr. Seuss! With crafts, activities, and games galore, this camp is sure to be a week that your child will remember. Get ready for edible Cat in the Hat hats, footprint pictures, and much more! Spend a week and see why this beloved children's author is a classic as we learn all about the wonderful world of Dr. Seuss!

Session 7-B *B. Summer Montessori* **Session time 9:00-12:00** **Fee: \$165**

Open **only** to students enrolled for the 2021- 2022 school year at Woodside Montessori Academy. Give your child the tools he or she needs to hit the ground running when the new school year starts. This class is designed to introduce students to Montessori, to school, and to the basic concepts and expectations of their new environment. Your child will gain a higher degree of comfort and familiarity with the school, which will enable him or her to make a quick transition to the classroom once school starts.
